

Why YPS?

We believe that when you are investing in a packaging solution, the company you buy from is as important as the equipment itself, to ensure lifetime peace of mind and satisfaction. Therefore, we think the following are important merits you should expect from a quality machinery supplier. At YPS we offer them all – **guaranteed**.

“ Our six automatic lines are all easy to operate, robust and reliable, which is critical with the volume of products we have to process daily.

Danny Grainger, BT

We Deliver The Best Backup & Support

Award-Winning Business

We've just won Automate UK's Outstanding Customer Service Award – for the second time!

Engineer-led Installation

Our own dedicated team of in-house service engineers are with you from the very beginning, from testing prior to delivery, to installing and commissioning and training your team.

Support Throughout Your Journey

We don't just leave you to it once we've installed your machine! Each machine purchased comes with an included service contract, above and beyond a full parts and labour warranty. The team are then always available, for your complete peace of mind.

“ The ongoing service that you offer through your engineering team means we can get on with the job knowing that we are supported by specialists to keep our line running at its best for the long term.

We Supply The Complete Solution

The Whole System

We're rare in that we supply both machinery and materials, so you can be assured that both elements of your packaging system will work optimally together.

Robust and Reliable

We supply quality machinery, ensuring you receive a robust system for a long-term solution.

A Tailored Package

As a business, we're flexible, able to respond to your needs. For example, we can offer machine hire as a help to buy scheme, supply refurbished equipment if appropriate and are able to accept some machines in part exchange for upgraded systems.

“ From start to finish you expertly understood our needs and offered the correct solution. The equipment was delivered on schedule and the installation and training was smooth, professional and thorough.

Tim Herbert, Wickes

We Look For The Sustainable Solution

Environmentally-friendly Materials

Our entire range of materials is fully recyclable to LDPE 04 and many products are available with a Plastic-Tax-Exempt 30%+ recycled content. We're also exclusive UK distributors of the most advanced ultra-thin films, reducing plastics use through downgauging.

Greener Machines

Our green focus extends to the machinery we supply too. We supply machinery with material-saving features and ensure that all new machines are set up for optimum material use to match your goals. Our engineers also conduct Sustainable Site Surveys to advise on how improvements can be made to existing systems.

Sustainably Focussed Business

As a supplier to you, we can contribute to a reduction in your Scope 3 emissions through the measures we take at YPS. For example, we've installed a full solar roof at our HQ and operate a fleet of electric and hybrid company cars.

“ YPS were prompt, efficient and professional from the outset, understanding our time-sensitive requirement.

Robert Theakston, Black Sheep Brewery

We're Independently Endorsed

With Full Approval

For your peace of mind, we're SafeContractor approved. In addition, along with all of our materials partners, we are fully BRC approved guaranteeing the complete traceability of each and every reel or bag from the point of manufacture, through transit, storage and to your goods-in department.

Our Customers Keep Coming Back

Over half of our annual sales come from existing customers making repeat purchases, some of whom have returned time and time again for new machinery. And some of our longest standing customers have been with us for over 30 years!

Don't Just Take Our Word For It...

Customers have been so pleased with their machinery, films and service, as well as the experience of dealing with us, that we have a huge bank of written testimonial letters ready to share with you. Just ask and we'll be happy to show you some of the wonderful things our customers have said about us.
