VEGA HOME
OF VALUES

Your advantages at a glance

With myVEGA as your personal customer platform, you'll have numerous online functions at your disposal revolving around VEGA products.

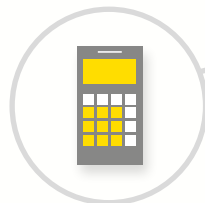

2D & 3D drawings

Generate exact drawings of your instruments in 2D and 3D formats of your choice. Ideal for planning your project.

Prices & delivery times

Get current prices and delivery times quickly via our online configurator, or request a customised quotation here.

Online ordering

Order the products you want directly online. This includes everything from your individually configured instrumentation to accessories and spare parts.

Documentation

Find all important documents quickly. From the quotation to the test certificate of your sensor, everything is securely documented for you.

Order history

Keep an eye on all your transactions. With myVEGA you can view your entire previous order history – regardless of the date of your registration.

Shipment tracking

Track the status of your order. The status with shipment tracking keeps you informed about the progress of your order at all times.

Backup

Save your device settings and documentation in the VEGA cloud. Access your sensor data at any time – for easy setup and restoring.
